

2018 APEC Workshop on Career Development of Sport Talents in Digital Age

May 16 2018

3F Ballroom, The Sherwood Taipei

Introduction

Technology is moving at a cracking pace. The workforce of the future has been changed substantially by the rapid evolution of technology. With the aim of finding positive approaches to prepare sport talents for the future world of work, this APEC Workshop brings sports officials, experts, and entrepreneurs together, discussing and sharing the relevant human resources development policies and best practices of sports innovations for advancing athletes' career development in digital age.
